

AFRICAN AMERICAN FUNERAL PROGRAMS FROM THE EAST CENTRAL GEORGIA REGIONAL LIBRARY

Over one thousand funeral programs ranging from 1933 to 2008
from the Eula M. Ramsey Johnson Memorial Funeral Program Collection

The screenshot shows the website's header with the title "AFRICAN AMERICAN FUNERAL PROGRAMS FROM THE EAST CENTRAL GEORGIA REGIONAL LIBRARY" and navigation links for "Home", "About", and "Help". The "DIGITAL LIBRARY, GEORGIA" logo and the "GALILEO" logo are also present. The main content area features a "Full-Text Search" box with a search input field, a "Go" button, and a link to "Advanced Search". Below the search box is a "Browse" section with links for "Name", "Year of death", "City", and "Funeral site". A "Download:" section includes a link to "Acrobat Reader". The main text describes the collection, and a "From the collection . . ." box contains an image of a pair of hands clasped in prayer.

A majority of the programs are from churches in Augusta, Georgia, and the surrounding area, with a few outliers in other states such as New York and Florida. The collection provides extensive genealogical information about the deceased, including birth and death dates, maiden names, names of relatives, past residences, and place of burial. Alongside this genealogical information, the obituaries provide a rich source of local history about African Americans. Many of the people included in this collection were prominent in their communities, and many were involved locally in the struggle for civil rights.
