The screenshot shows the GALILEO website interface. The top navigation bar includes 'Home', 'About GALILEO', 'Contact Us', and 'Help'. Below the navigation bar is a banner with the text 'Georgia's Virtual Library...bringing quality content to you!'. The main content area is titled 'Training' and has tabs for 'About Training' and 'Course Catalog'. Underneath, there are three tabs: 'ONLINE SESSIONS', 'SELF-GUIDED SESSIONS' (which is selected), and 'VENDOR TRAINING'. The 'Great Things to Know About GALILEO' section is highlighted, containing a brief description of the self-paced learning modules, links for 'How to Use the Player', 'Tips for Participants', and 'Share your feedback', and a section for 'Public Library Professional Development' with links to a 'Supervisor Guide' and a 'Program Overview for Public Library Staff'. A 'Modules' section lists 'Using GALILEO to Help Patrons' with a sub-link 'What is GALILEO and why should I use it?'. A left sidebar contains a 'GALILEO Help' menu with categories like 'FAQs', 'Passwords', 'Technical & Access Problems', 'Searching & Citing', 'Support for Librarians', and 'Resources for Educators'. An RSS feed icon for 'GALILEO News' is also visible at the bottom left of the sidebar.
