

MEDIA PROJECTS SHINE WITH GALILEO

What's in GALILEO for Media Projects

The screenshot shows a media player interface with an orange header labeled "Introduction". The main content area contains text about cheetahs. Below the text are three dark grey navigation buttons labeled "Where Cheetahs Live", "Physical Features", and "Behavior".

Introduction

The cheetah is the fastest land animal on Earth. This spotted member of the **cat** family can sprint faster than 70 miles (112 kilometers) per hour. The cheetah's scientific name is *Acinonyx jubatus*.
