## LearningExpress Library

- Practice tests for college prep, GED, GRE, GMAT, TOEFL, MCAT, occupation tests, many more
- Tutorials to improve math, reading, writing, & computer skills
- U.S. citizenship preparation

All three resources are available to Georgia citizens through their public libraries. Access is available in the library and from home using the GALILEO password. Once users create an account in Job & Career Accelerator or LearningExpress Library, they can go directly to the JCA or LEL websites to log in to their accounts without logging in to GALILEO first. Users should be sure to log out if they are using public computers.
