Linking, Citing, and Finding Images: Tips for Using GALILEO in Your Projects and Papers

Linking to GALILEO Resources

- **GALILEO**
  - Use the main GALILEO URL: http://www.galileo.usg.edu
- **Databases**
  - Use GALILEO Express Links to link to individual databases
  - Find all of your Express Links at Databases A-Z > Express Links: http://www.galileo.usg.edu/express?path=/databases/express-links/&view=high-school
  - What is a GALILEO Express Link? http://help.galileo.usg.edu/faqs/what_is_an_express_link/
- **Magazines, Journals, Newspapers, and Other Publications**
  - Use the persistent link from Find It @ GALILEO
    - Search for the title in Magazines A-Z
    - Choose your title
    - Click the "Save persistent URL or citation" link on the Find It @ GALILEO popup window to get the link
  - Use the persistent link in the publication record for EBSCO resources
    - Go to an EBSCO database, such as Professional Development Collection
    - Click Publications tab at the top
    - Search for your title
    - Choose the title to see the "Link to this publication" link
- **Articles**
  - Use the permalink or persistent link found in the article information for most articles (e.g., Britannica, EBSCO, DLG)
  - Use the Find Cited Article tool
    - Go to Magazines A-Z > Find Cited Article
    - Enter as much citation information as you have
    - C lick the Find Citation button
    - Choose the "Save persistent URL or citation" link on the Find It @ GALILEO menu to get the link

Citing Sources

- Click the Cite link in an EBSCO article to get suggested formats for citations
- Check articles for a suggested citation (e.g., Britannica)
- NGE has a suggested citation format
  - Go to NGE
  - Click About NGE
  - Choose Frequently Asked Questions on the list of links at the right
  - See "How do I cite NGE?"
- In DLG, check the Rights and Usage information section of the item

Finding Images

- Go to Browse by Type or By Type and choose the image or picture category for a list of resources:
  - Teen: http://www.galileo.usg.edu/express?path=/types/pictures-maps-flags/&view=teen
  - High School: http://www.galileo.usg.edu/express?path=/types/images-maps-flags/&view=high-school
- Tip: Good sources of images are Britannica, Images @ EBSCO, DLG

Adding Videos

- Add Britannica videos to slide presentations
  - Find a video in Britannica
  - Choose the Windows Media format
  - Right-click the Download Video link to "Save Target as…"
  - Save the video on your computer
  - In PowerPoint, choose Insert > Movie > Movie from File
  - Choose the video you saved to your computer to insert it
  - Add the citation for the video to your presentation
- Go to Teachers' Resources in Britannica and view the video guides for a demonstration
