The screenshot displays the Mango Japanese learning platform interface. At the top, a dark header bar contains the 'Japanese' title with a right arrow, navigation tabs for 'LEARN', 'EXPLORE', and 'TOOLS', and user options for 'Support', a notification bell, a profile icon, and a dropdown arrow. The main content area is divided into a left sidebar and a central panel. The sidebar includes a 'Resume Learning' button, a 'Daily Review' section with a 'Cards due for Review' indicator and a 'Start' button, a 'Main Units' list (units 1-5 with progress bars and completion status), an 'Assessment' section, and 'Specialty Units' (marked with red asterisks). The central panel shows '1 Introductions' with a progress bar and a 'Goals' button. Below this, a grid of lesson icons (1-9) is displayed, with icons 1-8 being green with checkmarks and icon 9 being a listening icon. Further down, 'Chapter 2', 'Chapter 3', and 'Chapter 4' are listed with progress bars and completion status. At the bottom, a 'Take the Unit 1 Test' button is visible. Annotations with lines point to various elements: 'language selection' points to the 'Japanese' header; 'profile information' points to the user profile icon; 'resume learning' points to the 'Resume Learning' button; 'review activity' points to the 'Cards due for Review' section; 'course content' points to the 'Main Units' list; and 'language lessons' points to the lesson icons in the central panel.

Learning Features

Listening & Reading Activities build on vocabulary and learning progress through

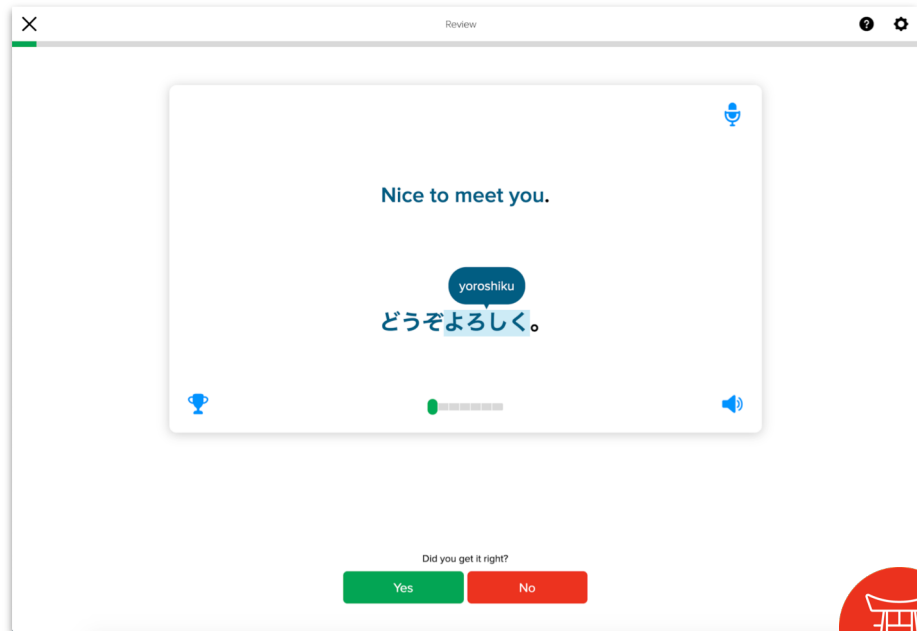

- written passages
- audio segments
- comprehension questions

that challenge learners with both familiar and new course content.

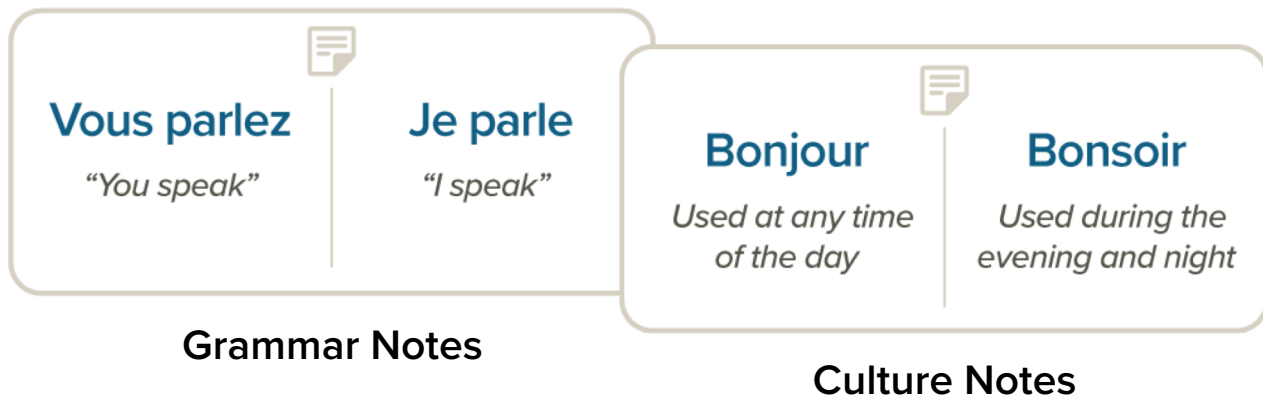

The screenshot displays a learning interface with two main panels. The left panel, titled 'Listen', shows a list of audio segments. The top segment is highlighted with a blue border and a blue waveform icon. Above the list, statistics are shown: 'Words 113', 'Unique 62', and 'New 6'. The right panel, titled 'Apply', shows '9 questions'. The first question, '1. What is the passage MAINLY about?', is categorized as 'Main Idea'. It has three answer options: 'Carlos's vacation with his family', 'Carlos's love for the beach', and 'Carlos's family's occupations'. The second question, '2. What is mentioned in the passage?', is categorized as 'Detail' and has three answer options: 'They will stay in the hotel for about two weeks.', 'They have reservations for two hotel rooms.', and 'They will go to the beach in Colombia on vacation.'. The third question, '3. What is true about the characters?', is also categorized as 'Detail'. At the bottom of the interface, there is a playback bar with the text 'Playing All 2 of 14' and a blue play button. In the bottom right corner, there is an orange circular icon with a white pyramid structure.

Learning Features

The Mango Review System uses intelligent algorithms to provide a personalized review experience that adapts to the users' progress and learning behaviors.

Relevant Learning Material

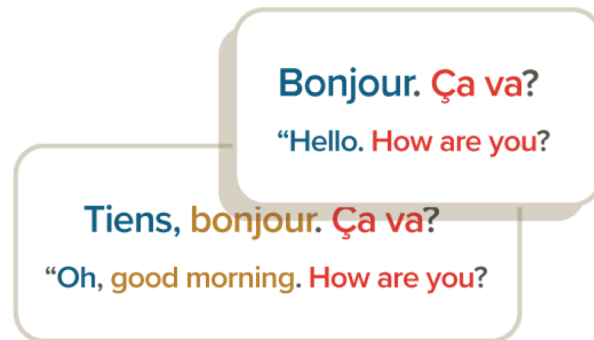

Language-specific grammar and cultural insights are provided to establish a deeper connection with the language and culture.

Relevant Learning Material

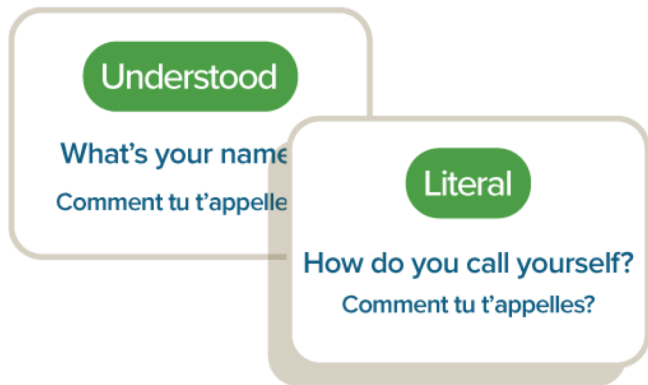

Memory-building exercises

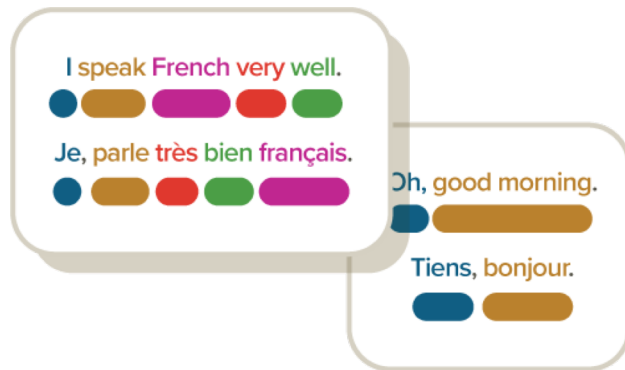

Critical-thinking exercises

Memory-building and critical-thinking exercises enable the learner to effectively retain material.

Quality, Interactive Audio

Understood & Literal meanings

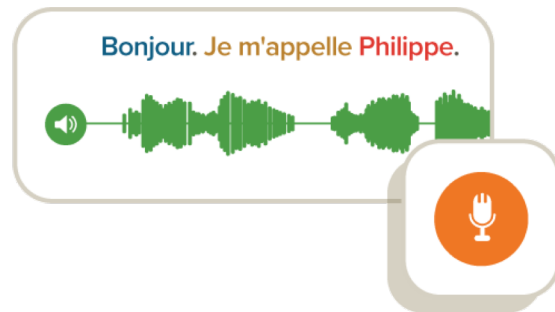

Semantic Color Mapping

Understood & Literal meanings and Semantic Color Mapping reveal the relationship between the learner's target language and native language.

Quality, Interactive Audio

Phonetic Pop-ups

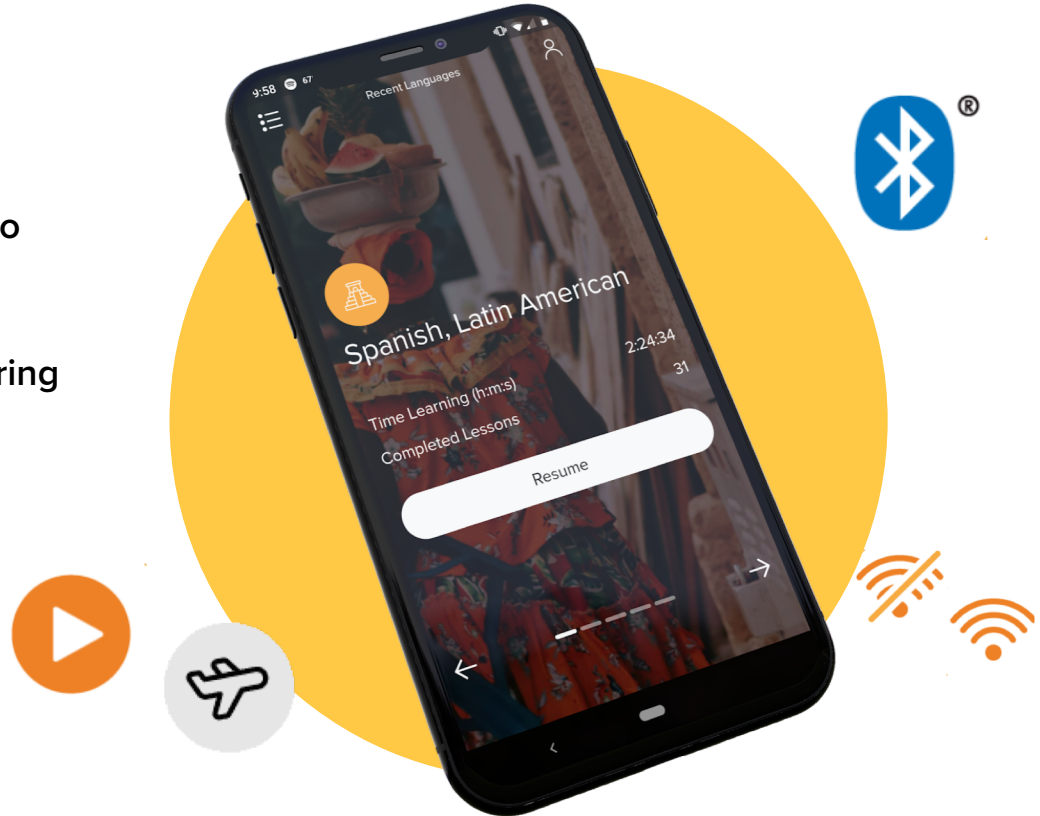

Voice Comparison

Interactive words present phonetic prompts and articulated audio, plus the Voice Comparison feature provides the ability to record and compare speech with native-speaker audio.

Mobile Apps

Equipped with Bluetooth integration and auto play features.

Pre-download lessons for offline learning during limited or no connectivity.

Accessible Learning

Pick up where you left off, across devices and operating systems:

- Desktop, mobile, tablet
- iOS, Android, Amazon, PC, Mac
