Updates & International Content

Wendell Butler, Training & Consulting Partner

Session Objectives:

By the end of this session you will be able to:

- Discuss What's New in Ancestry (Library Edition) & HeritageQuest
- Demonstrate knowledge of International content and organization tools
- Direct users to On-Demand trainings

This is GREAT.....I'm going to cancel my Ancestry subscription

- Ancestry.com provides the leaf for connections
- Ancestry Library Edition has Family Trees but Read only
- Ancestry.com has the ability to create Family Trees and publish

Key Differences ALE and Ancestry.com and HeritageQuest

[U.S., Obituary Collection, 1930-Current](#)
This database is a compilation of obituaries published in U.S. newspapers, collected from various online sources. Obituaries can vary in the amount of information they contain, but many of them are genealogical goldmines, including information such as names, dates, places of birth and death, marriage information, and family relationships.

Before you search International records...

U.S. FEDERAL CENSUS COLLECTION — to help you discover more about your family's life in the U.S. and to give you the clues you'll need to follow them back through generations until you reach your family's immigrant ancestor.

IMMIGRATION AND TRAVEL COLLECTION — to discover the moment your ancestor arrived as well as details reported to obtain citizenship; note that women and children may not have naturalization records and may have been naturalized through a parent or spouse, depending on laws at the time.

MILITARY COLLECTION — to learn more about military service in both the U.S. and other countries; look for key records associated with the Revolutionary War, Civil War and all the way through to World War II and beyond, some of which mention land, give personal stories and information about other relatives.

OBITUARIES AND NEWSPAPERS — to locate other family lines and possibly the birthplace of an ancestor; check for obituaries for siblings, too, some of which may contain additional details.

LOCATION MAPS — to quickly view all of the records available from a specific location at Ancestry.com; access the map at the bottom of the Ancestry.com search page and click on the location you're interested in to learn more.

MESSAGE BOARDS — to connect with other researchers who have experience researching German records.

FAMILY TREES — to link to other family members, possibly even distant cousins, who are also researching the same family lines; one of them may have the details you're searching for.

What You May Find in the Records

Enumerators recorded answers for the following questions on the 1940 census:

- address
- home value and whether owned or rented
- name of each person whose usual place of residence on 1 April 1940 would be in the household
- relationship to head of household
- sex
- color or race
- age at last birthday
- marital status
- education
- place of birth
- citizenship
- residence on 1 April 1935
- employment status for those 14 and older (several questions)
- occupation and number of weeks worked full-time in 1939
- income in 1939

Enumerators also asked supplementary questions to provide a random sample of about 5 percent of the population. These questions included

- birthplace of mother and father,
- native language,
- veteran status (including widow or minor child of a veteran),
- Social Security details,
- occupation, industry, and class of worker,
- marriage information for women (married more than once, age at first marriage, number of children).

The screenshot shows the search interface for the 1940 United States Federal Census. The title is "1940 United States Federal Census". On the left, there is a search form with fields for "First & Middle Name(s)", "Last Name", "Year", "Location", "Birth", "Lived In", and "Any Event". Below these are tabs for "Add family member:" with options for Father, Mother, Sibling, Spouse, and Child. Each tab has fields for "First & Middle Name(s)" and "Last Name". At the bottom is a "Keyword" field. On the right, there is a logo for the National Archives and Records Administration, a section titled "Browse this collection" with dropdown menus for "State", "County", "Populated Place", and "Enumeration District", and a section titled "Related data collections".
