As we begin...plan for the end: Q&A

- At the end of this presentation, you'll know what we're doing/going to do next
- What questions do you have for us?
- What issues/problems/limitations in GALILEO would you like to see us address?

DON'T SHARE YET!

- But--do take a minute and write some things down...take a picture of this slide using your phone so you can look at it again after I get started or when I'm going on and on about something...
- Be ready to share in the chat when we get to the Q&A time
