GALILEO Support Services

Session Objectives

- Part 1: Understand the how and why for using GALILEO admin including:
 - Using OpenAthens authentication for your locally purchased resources
 - Adding local resources to the GALILEO A-Z list
 - Adding local resources to GALILEO Search/EBSCO Discovery Service
 - Updating your GALILEO site's featured resources (Spotlight)
- Part 2: Live Demo and more examples
 - Learn more about adding local resources to GALILEO with Demo / More examples
 - Review the levels of access to GALILEO admin
 - Getting started with GALILEO admin training
 - Role of GALILEO support

- GALILEO can setup most (not all!) local resources so that users can login via OpenAthens/SSO
- Setup is simple for most vendor resources
- Helps to maintain a consistent access path
- It is better to retain existing authentication for some resources

Offsite Authentication for Local Resources

A-Z:

GALILEO Local Resource Integration (GLRI)

- Who does it?
 - Local GALILEO Administrator
 - GALILEO Support
- Why should you do it?
 - So that local resources appear in your GALILEO A-Z List
 - Provides easy to use A-Z lists by GALILEO view (K-12, Public)
 - Persistent GALILEO Express links
 - GALILEO stats! We can provide access level stats for your local resources

GALILEO Search/EBSCO Discovery Service

- When you add a new resource, even if we don't setup authentication...
 - It's good to list it in A-Z
 - We can generally (not always!) activate it for discovery in GALILEO Search!
- This creates another opportunity for patrons to find locally purchased items during their research
- Can be turned into a database level bento box

Getting Started

- GALILEO Support is glad to do the GLRI work for you
- Ideally:
 - Identify someone on staff who can be a GALILEO admin
 - That person will complete training (video modules) and be granted access to GALILEO admin (userid and password)
- GALILEO will always be glad to do the OpenAthens authentication work for any locally purchased resources if applicable
- GALILEO will always add items to discovery for you
- You may always start with a GALILEO support request!
