

# Librarians Online: Expanding Virtual Library Services

---

Ben Mullis, Director of Library Services, Oconee Fall Line  
Technical College

# Introduction

---

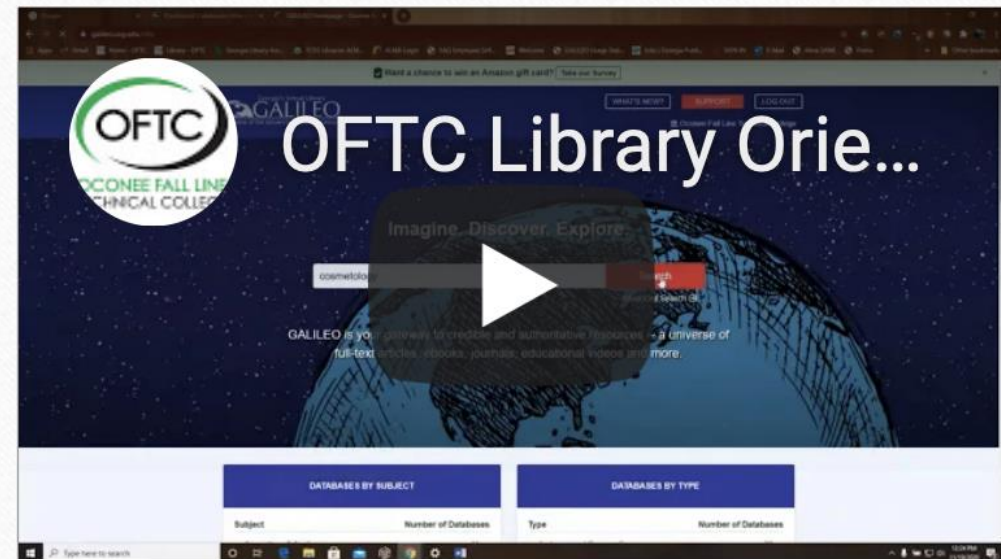

- Who am I?
- What are we doing?
- When did this begin?
- Where are we going?
- Why is this important?

# Information Literacy

- Developed online synchronous and asynchronous info lit sessions.
- Created demonstration videos using Blackboard Collaborate and windows movie maker:
  - <https://www.youtube.com/watch?v=EMo0QG-DtAoQ>
- Updated the presentation to focus on online resources.
- Revised the faculty library orientation to be asynchronous.

# Reference and Outreach

- Ask-a- Librarian form became invaluable.
- E-mail marketing became our go to method.
- We utilized Blackboard Collaborate and WebEx to “meet” with students.

## Ask A Librarian

We look forward to assisting you!

# Embedded Librarianship

---

- The program began in the COLL 1060 courses (orientation course).
- We expanded into other subjects (Psychology and English).
- Integrated library tools into the Learning Management System.

# Lending Library Program

---

- Textbook lending program
- Online applications
- Mail Orders

# Programming

---

- Online Book club with academic topics.
- We hosted virtual office hours and online tutoring services.
- We created and held a virtual Easter egg hunt this year.

# New Book Drop!
