COBB COUNTY PUBLIC LIBRARY SYSTEM
MARIETTA, GA

**Cobb County
Public Library**

Defining Digital Literacy

Digital Literacy is the ability to use information and communication technologies to find, evaluate, create, and communicate information, requiring both cognitive and technical skills.

American Library Association
Digital Literacy Taskforce, 2011

Digitally Literate Person:

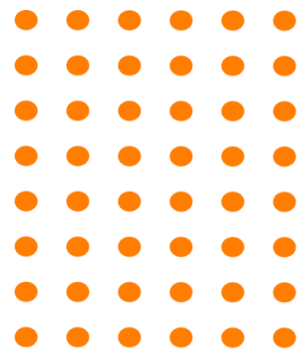

- Technical and cognitive –find, understand, evaluate, create and communicate digital information
- Use diverse technologies appropriately and effectively to retrieve, interpret results and judge the quality of information
- Relationship between technology, life-long learning, personal privacy and stewardship of information
- Use skills and the appropriate technology to communicate and collaborate with peers, colleagues, family
- Uses skills to actively participate in civic society and contribute to a vibrant, informed, and engaged community.

American Library Association
Digital Literacy Taskforce, 2011
