

# How to GALILEO

## Getting Started

1

Reach out to any local librarian for the GALILEO password OR log in with single-sign on authentication.

*Tip: Hit the red "support" button to contact GALILEO for help.*

2

Visit [GALILEO.usg.edu](http://GALILEO.usg.edu) from any computer, find your institution and put in your password.

3

Search for topics or databases using the search bars or select resources your library put in the spotlight.
