

Creating Direct Links to GALILEO Journals

1. Locate the Journal you want to create a link to by selecting "Journals A-Z" or "Magazines A-Z."
2. Browse for your journal by letter, or search by keyword or title.

The screenshot shows the GALILEO Scholar interface. At the top, there is a navigation bar with the GALILEO Scholar logo and links for Home, About GALILEO, Contact Us, and Help. Below the navigation bar, there is a yellow banner with the text "Georgia's Virtual Library...bringing quality content to you!". The main content area has a navigation menu with tabs for "Browse by Subject", "Browse by Type", "Databases A-Z", "Journals A-Z", and "Search". The "Journals A-Z" tab is selected, and a red arrow points to it with the number "1". Below the navigation menu, there is a "Find Journals" section. On the left, there is a sidebar with links for "Find Journals" and "Find Cited Article". The "Find Journals" link is selected, and a red arrow points to it with the number "2". The main content area of the "Find Journals" section has a search input field containing "Consumer Reports" and a "Find Journal" button. Below the search input field, there is a list of search results, including "Consumer Reports" and "Consumer Reports on Health". A red arrow points to the "Consumer Reports" link in the search results. To the right of the search results, there is a "Tips!" section with a list of tips for finding journals.

2. Click on the link to the journal from the result screen.

The screenshot shows the GALILEO search results page. At the top, there is a blue banner with the text "Find It GALILEO". Below the banner, there is a search results summary: "Found 27 records. Journal title begins with 'Consumer Reports'". Below the summary, there is a dropdown menu for "Display 10 records per page." and a text "Showing 1 - 10 of 27 records.". The search results are displayed in a list format. The first record is "Consumer Reports on Health (Full text)" with ISSN: 1058-0832 and CODEN:CREHEI. The second record is "Consumer Reports (Full text)" with ISSN: 0010-7174, Publisher: Consumers Union of the United States, Inc., and Place of publication: [Yonkers, N.Y.?]. The second record is highlighted with a red oval.

Note: The URLs that are created using the "Save persistent URL" function are institution-specific. Make sure you are logged in to GALILEO as the correct institution before capturing URLs. In Addition, the URLs are really long. Some systems, such as online courses, may have a character limit for URLs. You can shorten the URL by using the online site Tiny URL : <http://www.tiny.cc/>.
