

GALILEO and CCGPS Research Standards: Building and Presenting Knowledge

GALILEO Supports Common Core

- Text complexity tools
- Content-rich nonfiction
- Informational texts
- Citation tools
- Content for short or sustained research projects
- Content for supporting differentiation
- Curriculum correlation tools

GALILEO Facts

- GALILEO is the primary research site for Georgia colleges so is integral for college-readiness
- Content includes articles, images, primary sources, multimedia, & learning tools
- Most K-12 resources include Lexile ranges for articles
- Seamless access available at school; password access off-site
