

GALILEO is your online library to help you with school projects, reports, and research.

GALILEO offers quality information from safe sources that are appropriate for students in all grade levels.

GALILEO is available at any school computer or at home with a password that you can get from your media specialist or librarian.

So don't use just any website to help you with your homework. Use your online library, GALILEO. It's the smart thing to do.

The smart place to go for

- Encyclopedias, magazine articles, and reference books
- Commentary, news, and opinion articles for reports, speeches, and debate
- Biographies
- Literary criticism
- Reports about countries and cultures
- Videos on science, history, health, and other topics
- Color pictures for PowerPoint presentations, projects, and websites
- Maps and flags
